

INVEST IN THE FUTURE

Nearly 6 million young adults ages 16-24 are not working and not in school in the US.

An estimated 47,000 of these disconnected young adults live in San Diego County.

THE SOLUTION

CONNECT2Careers (C2C) aligns the career goals of young adults with businesses that are investing in our future workforce. Through work-readiness training, job coaching and work experiences, C2C helps young adults take the next step in their career path.

GET INVOLVED

- HIRE:** C2C can fill your job and internship openings with pre-screened candidates.
- HOST:** \$1,500 gives a young adult a 120-hour, paid work experience at your company. We handle payroll, workers' compensation and other employer of record responsibilities.
- SPONSOR:** Your financial contribution helps prepare young adults for the world of work through paid work experiences, formal training and mentorship.
- SHARE:** Tell your colleagues, family members and friends about C2C and encourage them to get involved.
